

**YAPTES**

Over 40 Years Of Experience

## ABOUT YAPTES

- Yaptes is one of the earliest and most reputable companies in Turkey in the field of building and designing swimming pools, olympic size pools, artificial ponds, decorative pools, massage pools, Turkish bathes, saunas and steam bathes.

## YAPTES'S TIMELINE

- In **1973** Ali Akgün, the founder of Yaptes, who has already had his diploma on Bachelor and Master's degree in ITU (Istanbul technical university) in Mechanical and Marine Construction Engineering, decided to practice his learnings on fluid dynamics and shape his career by specializing on infrastructure of swimming pool facilities.
- In **1979** Yaptes was founded as a private pool company.
- In **1984** Yaptes started to cooperation with Swedish **Pahlen** company.
- In **1985** Yaptes became an Incorporated Company with a trade name of "Yaptes Yapı Tesisat Müh. Hiz. San. Tic. A.Ş."
- In **1987** Yaptes became an international member of NSPI (National Spa and Pool Institute).
- In **1988** Yaptes became the Turkey distributor of the Pahlen company with a commission of marketing the products in Turkey and neighbouring countries.
- In **1995** Yaptes became as one of the founder members of UHE (National Pool Institute Association).

# YAPTES MISSION

As one of the founder members of UHE, Yaptres promises to preserving the customer rights, giving the priority to their health, safety and comfort and relying to all existing rules in all stages of production, import, construction, assembly, operation, maintenance of swimming pools, massage pools, saunas, massage tubs and related equipment, chemicals and any related accessories.

And acting according to the established laws in pool industry including UHE instructions, using of internationally standard products, transferring the required information and instruction to the customers, preserving the environment and accomplishment of social responsibilities, protecting the positive image of pool industry and accepting the objective and authorized role of UHE in the probable disagreements between Yaptres and its contract sides in all the processes related with its service.

# YAPTES VISION

Adopting to technologies that will increase the effectiveness and efficiency of the institution, to focus on research and development and to rise to the level of the world's leading organizations.

Yaptes, with its expert staff and using of high-quality equipments of Pahlen, continues to add value to some of the leading projects in Turkey like olympic size swimming pools, indoor and outdoor swimming pools, artificial ponds, decorative ponds and SPAs by integrating its own service understanding and experience.

YAPTES is committed to continuing its activity with its experienced engineers, architects, and technical staff with a seriousness worthy of its brand, in order to find solutions to all kinds of issues in the field of its work.

"Business culture, respectful approach, information sharing and trainings for improvement, will bring us to very significant position with world class standards."

Ali Akgün, Board Chairman.
